# GOOD DAIRY STEWARD?

## CELEBRATING STEWARDSHIP

In keeping with the strategic goal of the MPO, sustainable dairy farming for all, we believe that good stewardship should be recognised and rewarded. If you know a dairy farmer who is the epitome of a good dairy steward, nominate him or her in the second annual TDM Stewardship Awards competition.

- Are animals and humans on the farm treated with care and consideration?
- Are they running a profitable dairy business?

## HOW TO ENTER:

- Any South African dairy farmer is eligible to be nominated.
- Complete the entry form and submit your nomination to the editor at [robyn@agriconnect.co.za](mailto:robyn@agriconnect.co.za) by **31 May 2018**.
- There will be a judging process, including a farm visit, and farms will all be judged on the same vital capital index. Nominated farmers will also receive feedback based on this report in order to further improve their sustainability efforts.
- The winner will be announced at the annual MPO gala dinner and receive a **5-page spread in the December issue** of *The Dairy Mail* (valued at over R60 000).
